8 "195.206. 1. As used in this section, the following terms shall mean:

9 (1) "Opioid antagonist", any intranasal or auto-injector administered naloxone that binds to
10 opioid receptors and blocks or disinhibits the effects of opioids acting on those receptors;

11 (2) "Opioid-related drug overdose", a condition including, but not limited to, extreme
12 physical illness, decreased level of consciousness, respiratory depression, coma, or death resulting
13 from the consumption or use of an opioid or other substance with which an opioid was combined or
14 a condition that a layperson would reasonably believe to be an opioid-related drug overdose that
15 requires medical assistance.

16 2. Notwithstanding any other law or regulation to the contrary, any licensed pharmacist or
17 pharmacy technician in Missouri may sell and dispense an opioid antagonist under physician
18 protocol to any person who is at least eighteen years of age with a valid Missouri identification card
19 or driver license. The licensed pharmacist or pharmacy technician shall record the date of sale, the
20 identification number of the dispensed drug, and the name, address, and date of birth of the person
21 receiving the opioid antagonist.

22 3. A licensed pharmacist or pharmacy technician who, acting in good faith and with
23 reasonable care, sells or dispenses an opioid antagonist and appropriate device to administer the drug
24 and the protocol physician shall not be subject to any criminal or civil liability or any professional
25 disciplinary action for prescribing or dispensing the opioid antagonist or any outcome resulting from
26 the administration of the opioid antagonist.

27 4. Notwithstanding any other law or regulation to the contrary, it shall be permissible for any
28 person to possess an opioid antagonist.

29 5. Any person who administers an opioid antagonist to another person shall, immediately
30 after administering the drug, contact emergency personnel. Any person who, acting in good faith
31 and with reasonable care, administers an opioid antagonist to another person whom the person
32 believes to be suffering an opioid-related drug overdose shall be immune from criminal prosecution,
33 disciplinary actions from his or her professional licensing board, and civil liability due to the
34 administration of the opioid antagonist."; and
